SUBJECT: Vehicle Equipment Inspection Report.

ALLEGATION #1: The complainant Sergeant Patricia MAHER, #1864, 013th District alleges that between 01 December 2011 to 07 December 2011, at an unknown time and location, the unknown accused damaged the in-car camera system (serial #030027) by cracking the screen in police vehicle #6565.

The Reporting Agent contacted P.O. Deane BARNLEY, #13526 013th District and requested the Vehicle Equipment Inspection Reports for 27 November 2011 through 04 December 2011. P.O. BARNLEY informed the Reporting Agent that vehicle inspection is done on Sundays. The request was made in order to determine if the In Car System was damaged prior to 01 December 2011 when Sergeant Reino SAENZ, #1730, 013th District reported a damaged In Car Camera in vehicle 6564.

Upon receipt of the Vehicle Equipment Inspection Report, the undersigned learned from the report dated 27 November 2011 that a Help Desk Ticket #58908671 had been issued for a prior problem with the In Car Camera system.

The undersigned contacted Sergeant BECVAR on 16 March 2012 and asked Sergeant BECVAR what was the status of ticket #58908671. In response, Sergeant BECVAR forwarded through the Web Mail system a description of when the ticket was initiated and why it was initiated. The message indicated that the In Car Camera system in vehicle 6564 was not functioning correctly but there is no mention that the screen was cracked. The report for the following Sunday inspection (04 December 2011) indicated that Help Desk Ticket #5891683 for the cracked In Car Camera had been obtained.
